Product Overview

Cube

Creating a modern presence with this classic one, two and three seater option. The Cube offers an elegant retro image. Chrome surrounds, visible from every angle, show the strength and quality of this popular range.

Cube

This ageless design features soft leather facings and chrome detailing to create a look that is as stylish as it is practical.

Classic

Another timeless design. The Classic, with its curved chrome legs and simple square buttoned cushions, provides generous dimensions and stunning looks.

Wing

Wing is equally at home in both modern and traditional environments. The soft curves and subtle lines ensure complete comfort.

GEO

The stylish GEO chair is specifically designed to meet both the aesthetic and functional requirements of any modern office

Flexi

Available in various combinations to fit any size or design of reception area. The chrome surround frames complete this contemporary seating range.

Zipp

With progressive curves and slimline upholstery, Zipp offers a comfortable, refreshing and contemporary seating solution.

Vito

Updating traditional soft seating with stunning design and simple striking lines. A refreshing look to any office space.

Club

Generously upholstered and elegantly styled, it complements both traditional and modern office settings. The prominent curves and lines result in total comfort.

Arc

Displaying simplified design and panache with versatility. Ideal around meeting tables, reception or breakout areas.

GEO

Clean simple lines combined with high quality materials. A statement of elegance that will complement any setting.
