

Palletised Delivery

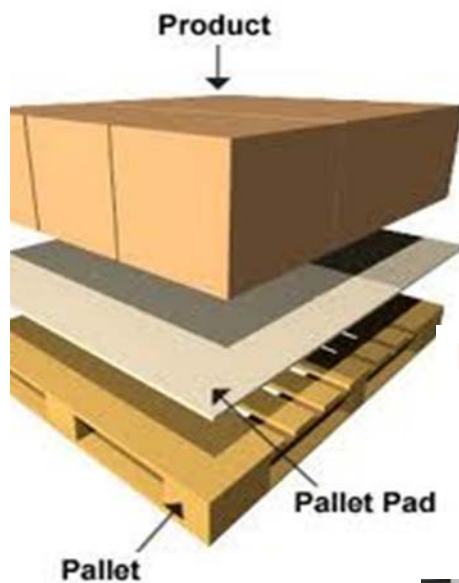

Average Size Delivery Truck

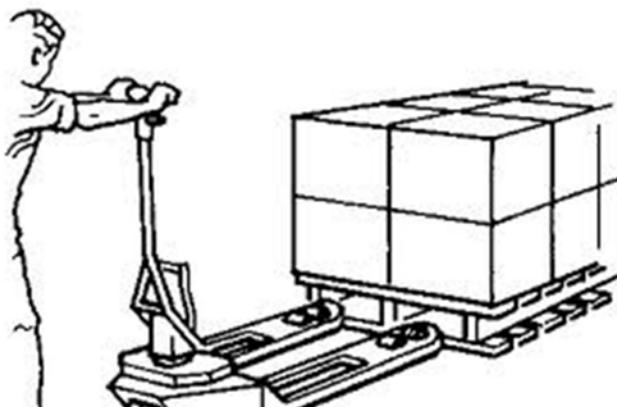

Tailboard Delivery

Standard Pallet

Product on Pallet

Typical Palletised Delivery of 1600 x 800 Table

**Delivery to Ground Floor Access Only.
Goods will not be taken into your Building
Pallet may not be taken away.**

Arrangements will need to be made to take goods inside.

Palletised deliveries are made next day to despatch. As they are not stored at any point, the requirement for over packaging is reduced considerably.
